### Diploma of Practice Management *customised for Veterinary Practices (9114NSW)*

UNE Partnerships in alliance with Cenvet Australia are offering the following workshop opportunities to study the Diploma of Practice Management (9114NSW) customised for Veterinary Practices.

These opportunities are available to all students who are presently enrolled by distance or for those who have completed Certificate IV and wish to upgrade and complete the current Diploma of Practice Management before the introduction of our new Diploma of Professional Practice Management in 2010.

Take advantage of the benefits this type of delivery can offer, as often distance study can be a challenging experience. The workshops are designed to optimize your study experience by providing a supportive learning environment to network with fellow students and learn course concepts under the facilitation of our expert presenter panel.

#### Benefits:

- Student support through *distance modules*
- Face to face tuition with assessors
- Excellent networking opportunities
- Support study groups
